

COLLECTIVE CORAIL LETTERBOXES

Collective letterboxes made of composite material that are elegant, functional and designed to last. Option to combine units.

Main characteristics

The range of Corail collective letterboxes can be used to distribute letters and parcels. Depending on your needs, several configurations are possible using our unit combination system: B1, B3, B4 or B6. Their design and colour options (beige, white, green, grey-brown, beige with green doors) make them suitable for all types of environment. Hard wearing and compliant with standard NF D-27405, they can be completely disassembled.
